\*Fuel economy and range figures are based on the ADR 81/02 test for combined urban/extra urban driving. Please note that actual on-road fuel consumption, emissions and range will vary depending on traffic and road conditions, vehicle load and the individuals' driving styles. Outlander PHEV tow weight is specified for use on NZ road network. Private driveways, boat ramps, sandy beaches and other off road settings may limit take off performance. Red Diamond paint colour available for an additional \$500. Note: The colours shown are approximate and may differ from the actual colours. However, changes may occur and your dealer will be aware of any variations.
